

Greetings,

"The Everything Buffalo Party" is a themed annual event created & hosted by Tim Mitten. He lived in Buffalo 1988-2003 before relocating to Florida. What he and so many other transplants miss are the food and friends, so he is bringing both of them together in **Florida!**

The 8th Annual event will be held on **Wednesday, March 4th, 2026** in Sarasota, FL again at the World Class venue, Nathan Benderson Park Viewing Tower on the lake.

Each year a WNY charity of choice is selected to receive incremental awareness and a portion of the proceeds. We're excited to have **Hope Rises** run by Kate Glaser fellow Buffalonian back for a fourth year.

We are looking for both Sarasota & Buffalo based companies to come on board to support, sponsor and be part of this unique event, which is expected to have over 900 attendees in 2026.

We look forward to having new & returning participants and sponsors.

The event has raised incremental awareness for multiple charities and donated **OVER \$80,000** to WNY non-profit organizations since Inaugural year in 2017.

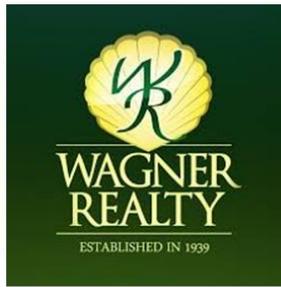

Thank you in advance, any questions or custom sponsorship requests please call me 😊
